Re: **Change of Claims Processing Administrators for the Health & Welfare Fund**

Dear Participants,

Effective **January 1, 2008** Group Administrators will no longer be the Claims Processing Administrator for the Health & Welfare Fund. This function will now be maintained by TIC International Corporation (TIC), who currently administers all other facets of the Health & Welfare Fund. Upon completion of this transition, participants will be able to contact representatives at TIC with questions related to their claims payment, or eligibility.

**Please be assured that your Health & Welfare benefits are not changing as a result of this conversion. You will receive new identification cards from Blue Cross Blue Shield of Illinois (BCBSIL) that will reflect this change, so please be sure to provide the new claim submission information to your medical professionals upon receipt of your new card. Until then, medical claims, eligibility inquiries and any other correspondence should be submitted to TIC International at:**

TIC International Corporation  
6525 Centurion Drive  
Lansing, Michigan 48917  
(517) 321-7502  
(877) 364-4239  
(517) 321-7508 FAX

However, if you have additional questions about this change in administrative duties or those related to eligibility or claims payment in the Health & Welfare Plan, you may also contact Robin Perez, Benefits Coordinator at the Local Union Office. Her phone number is (815) 398-6282.

We believe that this change in administrative duties will prove to be very beneficial to the participants, and will provide a more efficient venue for questions that arise related to eligibility and / or claims processing.

Sincerely,

THE TRUSTEES OF  
NECA-IBEW LOCAL No. 364 HEALTH & WELFARE FUND
